**Hi, Marcella Komunita Pasaribu.**

You're a step closer to being a Bangkit 2023 successful participant.

Next, you need to take **2 (two) assessment tests at Dicoding Platform**. The process will take 3 (three) hours in total and you can take a break in between.

**These exams can only be taken once. So, please make sure you have:**

1. A PC/Laptop with fully-charged battery.
2. A camera permission on your computer setting so you can access the assessment.
3. A stable internet connection (having a backup connection may be useful).

### How to start?

1. Login to Dicoding (or create an account if you don't have a Dicoding Account). It is okay to use a Dicoding account with a different email registered to Bangkit.
2. Go to <https://www.dicoding.com/programs/bangkit>
3. Redeem this token to start your assessment process

Assessment Type	Token
General Assessment	<b>SK1RP-qW0YI</b>
Machine Learning Assessment	

After you redeem the token, you will get access to take 2 (two) assessment tests consist of:

- General Assessment : Technical Assessment & Traits Assessment
  - Learning Path Assessment : Machine learning / Mobile Development (Android) / Cloud Computing Assessment
4. Stay tuned for our essential guidance.
    - i. **If you come from regular university**: you will get a guidance to register to Kampus Merdeka platform
    - ii. **If you come from sekolah kedinasan, keagamaan, or from other ministry outside MoECRT)\***: you will get a guidance to register to Kampus Merdeka Mandiri )\* *such as UIN, STSN, STIS. etc*
  5. Follow the above guideline to finish your application process.

**All steps must be completed essentially ASAP.** As informed beforehand, our participant quota is definitely **first come first-served basis**.

We will announce the result between December 8th, 2022 - January 16th, 2023 at the latest.

Kindly check your email regularly, including spam/junk/promotion/update, etc for further information about the next registration processes.

Should you have any questions please reply to this email.

We wish to see you at the finish line, so please keep doing your best in this selection process.

Best Regards,
